

## Ceramic Review Digital Archive

### Top Tips

In the Digital Archive, running along the top of the page is your navigation bar. Use these top tips below to help you find exactly what you are looking for.

- On the far left, use **Ceramic Review** as your 'home button'. By clicking on it, you will be brought out of a search or specific magazine which will then allow you to start again.
- On the far right, use the search bar with the **magnifying glass**, which will allow you to search multiple words at a time. Using keywords, this resource allows you to explore the entire archive to find specific information.

→ This tool allows you to discover new artists, glaze recipes, techniques and much more!

**\* You can search multiple words to find what you are looking for! \***

- **Search by decade:** On the 'home page', you can search first through the decades, this will be recorded in the top right hand corner of the navigation bar. (eg. **Ceramic Review >> 2010 >> 2014 >> November/December 2014**)

→ You can also search within a specific issue or by clicking on the 2010, you will be brought back to that decade.

- The bottom navigation bar allows you to move in between the first page of each issue, an overview of the issue and an individual page (from left to right).

→ Use the arrows provided on either side of the 'overview' button to flip back and forth between each page of the issue you are reading.

**\*Important\*** If you are reading a past issue or you have clicked on an article that you've searched for, in order to search for something else you will need to click the **Ceramic Review** button in your navigation bar.
